Date: December 5, 2006

Sir:

On November 29, 2006, the Applicants, by and through the undersigned counsel, held an Examiner initiated teleconference on the above-noted case. No prior art was discussed. Claims 1, 11 and 22 were discussed. In particular, the Examiner suggested a plurality of amendments which, if authorized, would make the case allowable. No agreements were reached.

On November 30, 2006, a follow-up teleconference was held in which the Applicants authorized the Examiner to amend claims 1, 11 and 22 by Examiner's amendment. An agreement was reached that, with the amendments, the case should be in a condition for allowance.
